

Let us help with your

TEACHING

While many students are back at school, some are still learning from home. Home Learning | Papa Kāinga TV brings you an awesome range of engaging programmes and lessons for learners to enjoy in class and at home.

Programmes and lessons are presented by a carefully selected group of highly experienced teachers and educators, including the following and many more....

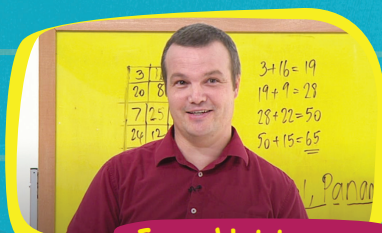

Suzie Cato
Junior Maths and Science

Whaea Erina
Junior Te Reo Māori

Monique Cox-Timmer
Junior Literacy and Projects

Fern Webber
Middle Maths

Shawn Cooper
Middle Science

Stephen McConnachie
Senior Maths

Te Mete Lowman
Senior Te Reo Māori

Dr Michelle Dickinson
Senior Science

See how we can help

3 WAYS

that we can support
you and your students

Watch on-air, every school day from 9am-3pm.

Choose from engaging education programmes
and lessons for students at home or in class.
Watch on **Channel 7, Sky 502 or Vodafone TV 502.**

Watch any time on TVNZ OnDemand.

Ideal for directing students to
particular programmes or lessons
that relate to your in-class
teaching that they can view and
review at times that suit their
learning needs.

[Check the programmes out here.](#)

Access the Home Learning | Papa Kāinga TV Teaching Resources.

A range of teaching
resources, including lesson
plans for many of the lessons,
are available to download.

[Check them out here.](#)
